MLTI Conference 2019

Our 6th, 7th, & 8th grade students travelled to the University of Maine Orono campus to take part in the MLTI conference, along with over 1200 students from across the state. The event is held each year to engage students in technology related learning. The event featured student-led sessions where participants can learn a skill from their peers, & then create something using technology to take back to their schools. This year, in a special surprise for students, mascots from Maine's public universities were on hand as part of a fun technology challenge to highlight how a young learner can "apply yourself," through the university system's youth development and early college programs.

LCS 3rd Grade Release Salmon

Check out this action shot of our 3rd Grade class field trip to The Green Lake National Fish Hatchery to release the salmon. Great job 3rd grade scientists!

May 31st – PATRONS Walk-a-thon

PATRONS next Meeting is Monday, June 3rd @ 3:30!

First Ever Awards Banquet Luau a Huge Success!

Over 130 students and parents attended last night's Luau! While we know it went too long, we already are planning to address that and keep it shorter for next year. However, we were thrilled with the beautiful transformation of the gym into a tropical paradise, the overwhelming participation, and the opportunity to celebrate our amazing students!
